

CONSENT TO ACCESS FOR AIR MONITORING

Property Owner(s):

Pattonville Fire Protection Dist

Property Description:

House # 2 3365 McKelvey Rd Hazelwood MO

Training and Admin 13900 St. Charles Rock Road
BRIDGETON MO

Right of Entry. I am the owner, representative of the owner, or lessee of the property described above (the "Property"). I hereby consent to the United States Environmental Protection Agency and its authorized employees, contractors, and agents (EPA), placing air monitoring and related equipment on the Property and accessing such equipment for sample collection, servicing, and related purposes.

Purposes of Access. Activities anticipated to be conducted by EPA on the Property include, but are not necessarily limited to, the following:

Release of Sampling Data. I consent to EPA releasing to the public and appropriate State and Federal agencies, the results of samples that EPA collects on the Property, as identified by the Property address.

Restoration of Property. I recognize that the performance of the air monitoring activities may require some disturbance of the Property. EPA will attempt to minimize such disturbance and any areas of disturbance will be restored as nearly as possible to prior condition by EPA, subject to the availability of appropriated funds.

Liability. I understand that EPA requires its contractors to maintain comprehensive vehicle liability insurance, and comprehensive general liability insurance for bodily injury, death, and loss or damage to property or third persons arising from their activities. I also understand that EPA's liability for damages to the Property or injuries to persons which result from or are caused by its activities on the Property shall be to the extent permitted by the Federal Tort Claims Act (28 U.S.C. §§ 1346(b), 2671 - 2680) and the Federal Employee's Compensation Act (5 U.S.C. §§ 8101 - 8151).

I Agree not to Interfere. I agree not to interfere with the activities to be conducted by EPA on the Property, or tamper with the monitoring equipment.

Term. The consent granted hereby will terminate upon EPA's notifying me that the monitoring activities are complete. I may also terminate consent to access at any time. If I terminate consent, EPA will have a reasonable period of time to remove its equipment from the Property.

This written permission is given by me voluntarily. By my signature I acknowledge that I am authorized to consent to the access as provided herein.
